The Hello Song

Hello everyone, hello everyone, we're glad that you could come.

Hello everyone, hello everyone, we're glad that you could come.

I, I, I, I, I'm glad that you could come.

I, I, I, I, I'm glad that you could come.

Hello *say your name*, hello *say your name*, we're glad that you could come.

Hello *say your name*, hello *say your name*, we're glad that you could come.

I, I, I, I, I'm glad that you could come.

I, I, I, I, I'm glad that you could come.

**Hello *say friends name*, hello *say friends name*,
we're glad that you could come.**

**Hello *say friends name*, hello *say friends name*,
we're glad that you could come.**

I, I, I, I, I'm glad that you could come.

I, I, I, I, I'm glad that you could come.

The Goodbye Song

**Goodbye everyone, goodbye everyone,
we're glad that you were here.**

**Goodbye everyone, goodbye everyone,
we're glad that you were here.**

I, I, I, I, I'm glad that you could come.

I, I, I, I, I'm glad that you could come.

**Goodbye everyone, goodbye everyone,
we're glad that you were here.**

**Goodbye everyone, goodbye everyone,
we're glad that you were here.**

I, I, I, I, I'm glad that you were here.

I, I, I, I, I'm glad that you were here.

The Opposite Song

**This is big, big, big
This is wee, wee, wee**

**This is short, short, short
This is tall, tall, tall**

**This is fast, fast, fast
This is slow, slow, slow**

This is big, wee short and tall.

One Finger, Two Fingers

**One finger, two fingers
Three fingers, four.
Five makes a whole hand
And then we change over.**

**Six fingers, seven fingers
Eight, nine, ten.
Put them all away
Then we'll do it all again.**

I Have Ten Little Fingers

**I have ten little fingers;
they all belong to me
I can make them do things;
wouldn't you like to see?**

**I can make them shut tight,
and I can open them wide
I can put them all together,
and I can make them hide**

**I can make them jump high;
I can make them jump low
I can fold them quietly
and put them all just so.**

Icky Sticky Bubblegum

**Icky sticky, icky sticky bubblegum
Bubblegum, bubblegum
Icky sticky, icky sticky bubblegum
And it sticks right to my thumb!
And I pull it... And I pull it... And I pull it away!**

**Icky sticky, icky sticky bubblegum
Bubblegum, bubblegum
Icky sticky, icky sticky bubblegum
And it sticks right to my nose!
And I pull it... And I pull it... And I pull it away!**

**Icky sticky, icky sticky bubblegum
Bubblegum, bubblegum
Icky sticky, icky sticky bubblegum
And it sticks right to my chin!
And I pull it... And I pull it... And I pull it away!**

Cheeky Cheeky Chin

**Eyes, nose, cheeky, cheeky chin,
Eyes, nose, cheeky, cheeky chin,
Eyes, nose, cheeky, cheeky chin,
Cheeky, cheeky chin, nose, eyes.**

**Wiggle your nose and give us a little grin,
Wiggle your nose and give us a little grin,
Wiggle your nose and give us a little grin,
Cheeky, cheeky chin, nose, eyes.**

**Wink one eye, cheeky, cheeky, chin,
Wink one eye, cheeky, cheeky, chin,
Wink one eye, cheeky, cheeky, chin,
Cheeky, cheeky chin, nose, eyes.**

Little Johnny Dances

1.

Little Johnny dances, on my head he dances,
Little Johnny dances, on my head he dances,
On my head, head, head,
Little Johnny dances, where will he go next..?

2.

Little Johnny dances, on my nose he dances,
Little Johnny dances, on my nose he dances,
On my nose, nose, nose.
On my head, head, head,
Little Johnny dances, where will he go next..?

3.

Little Johnny dances, on my tum he dances,
Little Johnny dances, on my tum he dances,
On my tum, tum, tum.
On my nose, nose, nose.
On my head, head, head,
Little Johnny dances, where will he go next..?

4.

Little Johnny dances, on my knees he dances,
Little Johnny dances, on my knees he dances,
On my knees, knees, knees.
On my tum, tum, tum,
On my nose, nose, nose.
On my head, head, head,
Little Johnny dances, where will he go next..?

5.

Little Johnny dances, on my toes he dances,
Little Johnny dances, on my toes he dances,
On my toes, toes, toes.
On my knees, knees, knees,
On my tum, tum, tum.
On my nose, nose, nose,
On my head, head, head.
Little Johnny dances.

I Can Clap My Hands

**I can clap my hands, I can stamp my feet,
I can turn around, I can feel the beat.
I can knock my knees, I can touch my toes,
I can sing-along, that's how it goes.**

But there's more to me, than you can see.

**I can feel so high, I can feel so low,
I can feel so yes, I can feel so no.
I can feel so high, I can feel so low,
I can feel so yes, I can feel so no.**

But there's more to me, than you can see.

**I can clap my hands, I can stamp my feet,
I can turn around, I can feel the beat.**

Butterfly Rhyme

**Five little butterflies playing by the door.
One flew away and then there were four
Butterfly, butterfly, flutter all day. Butterfly, butterfly, fly, fly away**

**Four little butterflies sitting in a tree.
One flew away and then there were three
Butterfly, butterfly, flutter all day. Butterfly, butterfly, fly, fly away**

**Three little butterflies looking at you.
One flew away and then there were two
Butterfly, butterfly, flutter all day. Butterfly, butterfly, fly, fly away**

**Two little butterflies sitting in the sun.
One flew away and then there was one
Butterfly, butterfly, flutter all day. Butterfly, butterfly, fly, fly away**

**One little butterfly left all alone.
One flew away and then there were none
Butterfly, butterfly, flutter all day. Butterfly, butterfly, fly, fly away
bye bye.**

Best Friends Song

**Best friends, best friends forever,
best friends, best friends forever.**

**The greatest gift you can give a friend has a beginning but it has no end.
The greatest gift when Christmas comes
is to tell your friend we'll always be chums.
The greatest gift you can give a mate is a promise to communicate.**

**Best friends, best friends forever,
best friends, best friends forever.**

**That's what we're gonna be.
You're the 'you' in you and me.
That's what we're gonna do.
I'm the 'me' in me and you.**

**Best friends, best friends forever,
best friends, best friends forever.
Best friends, best friends forever,
best friends, best friends forever.**
